Superdense Color Code Distance Scaling (d = 3 .. 23, SI1000 p = 0.001, r = d)
(a) LER per round vs. code distance d
Logical Error Rate per Round (Block LER)
Code Distance d (rounds r = d)
(b) Decode CPU time per round vs. code distance d
Decode CPU Time per Round (seconds)
Code Distance d (rounds r = d)
