Gross Code [[144, 12, 12]] (d = 12, r = 12): LER & CPU Time vs. Physical Noise p
(a) LER per round vs. physical error rate p
Logical Error Rate per Round (Block LER)
Physical Error Rate p (SI1000 circuit noise)
(b) Decode CPU time per round vs. physical error rate p
Decode CPU Time per Round (seconds)
Physical Error Rate p (SI1000 circuit noise)
